MORGAN'S MEANDERINGS

By M. S. T.

Each year at this time Albany is landmarked for miles and miles by the brilliantly lighted cross at the south end of the hill. The lights go on just after dark and blaze their testimonial of faith through the night. On Easter eve the cross glows all through the night and the first faint fingers of dawn are coming of the Holy day.

Reckas Brothers Appliance, located at Key Route Blvd., have established a precedent for window operation in Albany. The beautiful white cross with two lovely light bulbs affixed to the center is catching the eye of all who pass by way during the day and in the evening. It is a sight well worth going out of one's way to see.

Dan Chelmedos, owner of the market at Solano and Masonic Ave., looking forward to spring weather with the installation of brilliant new awnings over the front side of his store.

The boys at the fire house are very proud of the letter of thanks they received recently from Mr. and Mrs. Maxwell Johnson of 510 Alameda Blvd., El Cerrito.

Lions Meet 'Sally,' Lucille Rubio's New Seeing Eye Helper

The Albany Lions Club reaped a harvest of heart-warming thanks Thursday night, March 27, when they heard Miss Lucille Rubio express her gratitude for their efforts in aiding her to get a new guide dog. Miss Rubio returned recently from Morristown, N. J., where she met "Sally," her new guide dog and worked with an experienced trainer until she and Sally became accustomed to each other.

The trip by plane to and from the Seeing Eye Center at Morristown and all expenses were paid by the Albany Lions, who specialize in aid to the blind.

In thanking the Lions gathered at Jim's Coffee Shop, Lucille spoke of the warm bond of friendship and understanding which grows between dog and mistress. A guide dog becomes so sensitive to the needs and reactions of its owner that interference from outside sources will confuse the dog and lead to mistakes and perhaps accidents. That is why, she pointed out, a blind person would rather not have anyone help them across streets when the dog is guiding. Petting or feeding of a guide dog by any other person than the owner is also likely to upset the delicate balance between animal and master.

Annual Egg Hunt Easter Morning In Memorial Park

Albany children will participate in the Eleventh Annual City-wide Easter Egg Hunt Saturday morning, April 5th, in Memorial Park. This annual hunt is directed by the Albany Recreation Department and is co-sponsored by the Albany merchants, Exchange Club, Police and Fire Department, Soroptimist Club, Fraternal Order of Eagles, Bayview Aerie No. 2323; Maccabees, Tent 124; Maccabees Hive 133, American Legion Auxiliary Unit No. 292, Veterans of Foreign Wars Auxiliary No. 2658, Marin School P.T.A., Albany Post No. 292 American Legion and Lions Club.

Three-thousand colored eggs will be gathered in by the boys and girls with approximately \$300 in valuable Easter prizes to be given away to the winners of the various events.

Two hunts will be held with the program starting at 10 a. m. Albany boys and girls 14 years of age and under are eligible to participate in the hunts and games to follow. Emmett Devine, Supervisor of the Recreation Department will be in charge of the hunt and stated that the merchants and organizations in Albany have contributed the finest prizes ever to be given away in a local egg hunt.

Tots six years of age and under will search for eggs in the northeast end of the park while older boys and girls, 7 to 14, will search the northwest end for loot left by the swarm of Easter bunnies Friday night.

EASTER SERVICES

Grace Lutheran

Duplicate Easter services will be held at Grace Lutheran Church, Santa Fe Avenue at Ward Street, 8 a. m. and until 11 a. m. The Rev. O. R. Janke, pastor, will speak on the topic "Easter Assurances." Festival music will include: Soprano solo, "I Know That My Redeemer Liveth," by Pauline Lindner; a vocal trio will include Joy Lindner, Pauline Lindner and Eunice Nuoffer; villon of fertility by Richard Herr; children's choir, with trumpet solo by Donald Erickson, and "Jesus Christ Is Risen Today" with the adult choir. Mrs. Robert Blanks will be at the organ. The Sunday School and Bible class will meet at 9:45 a. m. The children's choir will sing, and an Easter remembrance will be given to each child attending. A devotional service will be held on Good Friday evening at 8 o'clock. The pastor will speak on "The Great Culmination." Special music will be heard.

St. Alban's Episcopal

Identical services of Holy Communion will be held at 7 a. m. and 11 a. m. Easter Day, with the full choir under the direction of Lois Fox Herr singing at both services. Dr. Randolph Crump Miller will speak on "Immortality and Fulfillment." At 9:15 a. m. there will be a family communion with the presentation of mite boxes and flowers and the singing of Easter carols. The Junior Choir will be under the direction of Marguerite Henry.

Northbrae Community

Rev. Laurance L. Cross and the congregation of Northbrae Community Church move to the Oaks Theatre Sunday for four great Easter services. The first will be the Indoor Sunrise Services at 7 a. m. A Dramatic Sunrise Service will include Grace Adams East, world-famous woman trumpeter; Oliver Jones baritone, and the Albany High School Choir of 65 voices led by Stephen Lehmer. Also featured will be the Black-Lighted Cross, the Candle - Light Pilgrimage, and the Multicolored Sunrise Symbolism. The Rev. Cross will speak at all four services. The Oaks Theatre is at 1875 Solano and may be reached by driving out Grove to Solano, or up Solano to The Alameda (Grove Street).

Legion Post 292 To Aid Veterans Reinstatement NSLI

The National Department of the American Legion reports that since the drive of the Veterans Administration, with the American Legion co-operating, more than \$100,000,000 in National Service Life Insurance has been renewed by veterans of World War II.

In keeping with the program to interest veterans to renew their lapsed insurance or to convert their NSLI, Albany Post No. 292, the American Legion, and the Berkeley office of the Veterans Administration will set up facilities at the Albany Memorial Building Friday evening, April 4, so veterans may reinstate or convert their insurance.

Herbert Zollinger of the Insurance Division of the Berkeley VA will be at the Memorial Building Friday night with four of his assistants to help and advise veterans as to their benefits and rights on NSLI.

Albany Post 292 and VA invite veterans of this community who have any questions concerning NSLI to avail themselves of this service Friday night.

With the expiration date on renewal of G. I. insurance set at August 1, veterans are urged by Mason Layton, Commander of Post 292, to take advantage of the opportunity offered by the Legion and VA to "see just where they stand on NSLI."

"Widows and families who have become beneficiaries through the death of a veteran know what NSLI can mean to a veterans and his family," Layton stated. "The families of veterans who have allowed their insurance to lapse should insist he renew it and convert to one of the six permanent forms the government has available."

The House of Harris, Shattuck at Center, now has the largest boy's department of any store in Berkeley. In addition to all types of daily wear for boys and very young men, they carry a complete line of Boy Scout uniforms and accessories for Cubs and full-fledged Scouts. For adult men in all walks of life Harris has stocks of attire for every occasion at prices to fit any budget.

Notice

Most all stores in Albany will be closed from 12 a. m. until 3 p. m. in observance of Good Friday, April 4.

Albany Welfare Group Names 3 to Serve as Emergency Committee

The steering committee of the newly formed Albany welfare group has found it necessary to appoint an emergency committee for the purpose of handling cases which have already been referred to them. Although the group is only one month old, its usefulness is becoming increasingly apparent.

Named to the emergency committee was: City Attorney George Glavinovich, Sgt. Art Smith and Mrs. Norma Carr.

The organization presently can report its membership as consisting of: Albany Maccabees, Tent 124; Soroptimist Club, Albany Police and Fire Civil Service Club and Albany Breakfast Club in addition to those organizations mentioned in the Times last week.

Suggestions for a name for the council are still being considered.

CITY TO ACT IN PROTEST ON 'G' LINE

A "standing room only" gathering of citizens jammed city council chambers Monday night to voice their protest over service of the Key System's "G" bus line to San Francisco. The council placed the complaints in the hands of City Attorney George Glavinovich, who will take the matter to the transportation company and, if necessary, to the Public Utilities Commission.

Councilman Lawrence Williams brought up the matter of what he termed the "deplorable service of the line in the last two weeks."

Spokesmen in the audience said service on the "G" line is seldom conducted according to published schedules and Williams said he believed a major reason for such service is "poor distribution of buses." Other lines, he stated, have closed (Continued on page two)

Lucille will wed Tony Mendolari of San Francisco at the St. Ambrose Church, Berkeley on June 15.

Miss Barassi received many lovely gifts from the 16 guests present and many more from others who could not attend the shower.

City to Act in Bus Line Protest

(Continued from Page 1)

more buses to accommodate their commuters.

Fred Weyand of 80 Peralta Ave., Berkeley, a "G" line commuter, asserted that "during the war, commuters were tolerant of the poor service." He charged that although there have been changes in management and a raise in transportation rates, company management has been "faulty and inadequate and not motivated by consideration for the public."

Glavinovich said he intended to contact the Key System immediately in an effort to have representatives at next Monday's council meeting. Unless assurances of service improvements are received, he said, he intends to bring the matter before the Public Utilities Commission.

For the first time since the war French students of Albany High School have started writing to students in France.

Mrs. Margaret Cude, French teacher, states that almost every student taking French is corresponding with a foreign pen-pal. The girls write to boys in secondary school, while the boys write to girls. The students write in their own language, permitting free and easy expression, and their correspondents translate the letters into their own tongue.

Mrs. Glenn Rhodes, publicity chairman of Berkeley-Albany Council of Parent-Teacher Associations announces that Publicity Books from local units will be received for judging April 7 at 12 m. at the district office in the Administration Building, 1414 Walnut street.

Morgan's Meanderings
(Continued from Page One)
The note expressed the heart-felt gratitude of the parents for the fine work the Fire Department's inhalator squad did in saving their new born baby on the night of March 17. The squad answered a call to Albany Hospital and found the infant apparently dead. Quick, efficient work by the squad revived the child and he is reported by his parents as "doing fine."

One sure indication that this weary old country of ours is returning to something resembling normalcy is the flood of autos,

WEDGEWOOD
Low Temperature OVEN!

More Western women use WEDGEWOOD than any other gas range, and one reason is WEDGEWOOD'S popular griddle top, which adds 50% to actual cooking top facilities. The griddle is of chrome plated cast metal, ideal for hot cakes, eggs, bacon and many other delicious foods. It drains grease into special removable drawer, and is quickly removable for easy cleaning. Burner is self lighting.

Not to be out-done, the Albany Eagles climbed on the bandwagon and awarded Mrs. Betty Williams a beautiful electric toaster at a recent party. She is the wife of Police Chief Stanley Williams.

Not that that had anything to do with it.

Since the softball league stymied by wet weather last weekend and Easter Sunday this week, yours truly, Morgan will hold off on sketching the teams involved in the fray until the league gets going
